BENEFITS OF THE MISSION

- Business to business meetings upon request
- Meet key personalities in the government and private sector
- Get an overview of business opportunities in the UAE
- Briefing on the best alternative method to internationalise your business and go global
- Learn about the UAE culture and lifestyle

WHY THE UAE:

- It is the UK's largest export market in the Middle East and the 13th biggest globally.
- It has a diverse economy which is continually growing and expanding.
- A gateway for expanding business into other Middle Eastern and African countries.
- No taxation on personal income and capital gains.
- It is the only country in the Arab world to be ranked again among the top 20 in the digital competitiveness index, according to a report released by IMD World Digital Competitiveness Centre.
- The Government plans to introduce a 10-year residency visa to attract investors and new talent.

THE PROGRAMME:

A combination of hosted events and seminars with key people in the government and private sector, as well as networking opportunities, and of course free time to explore what Dubai has to offer.
