PRESS RELEASE

EVOLUTION CBS COMPLETES THE SALE OF SUBACOUSTECH ENVIRONMENTAL

Reading based Business Sales Advisors, Evolution CBS, has completed the sale of niche environmental consultancy and research company SubAcoustech Environmental to Benthic Solutions Ltd.

Evolution CBS MD, Rob Goddard, commented "There was considerable synergy between the two companies and this deal is a win-win for both firms. Our Client was able to leave the business on completion with no earn-out or deferred payment and his key staff had secure employment with a company that shared their environmental vision. Benthic gained from enhanced technical capability and, of course, a larger client base on which to build growth".
